

CIVIL Project Engineer PE -Fort Collins

JVA has an opening for a Civil Project Engineer to join our Civil Engineering team in our Fort Collins office. We are seeking a highly motivated person with a passion for engineering excellence.

As part of JVA's thriving Civil Engineering team you will work with mindful, experienced engineers who are devoted to sensible and conscientious problem solving for a wide range of projects across Colorado from rural towns and mountain projects to city infill development. We provide the necessary tools, support, and training to assist our employees in providing technically competent, high quality service to clients. Our professional culture values sound judgment, creative thinking, and design sensitivity.

JVA is active with the U.S. Green Building Council, and several JVA engineers are LEED Accredited Professionals.

Responsibilities

- Civil Site Design
- Water, wastewater, and infrastructure design
- Report and specification preparation
- Involvement with permitting
- May attend design review meetings with clients
- Assist with other duties assigned by Project Engineers and Project Managers
- Flexibility and desire to work on a variety of multiple project is essential
- Construction administration

Minimum Qualifications

- 4-8 years civil engineering site design experience
- P.E. License required (or ability to obtain license within one year)
- Experience in Colorado preferred, including site design, grading and drainage, utility design, cost estimate, report, construction document and specification preparation
- Civil 3D proficiency

About JVA

Founded in 1956, JVA, Inc. is a 100+ person firm with offices in the downtown communities of Boulder, Fort Collins, Winter Park, Glenwood Springs, and Denver, Colorado. We specialize in civil, infrastructure, environmental, water/wastewater engineering, structural and historic preservation for public and private entities across the state. We are employee owned, offer a competitive benefits package, advocate professional growth, and have long-standing relationships with contractors, architects, builders' groups, professional organizations, and community outreach programs. We also have a strong internal corporate culture with sponsored events and social activities throughout the year.

To Apply

Send your resume and cover letter to JVA, Inc. 1319 Spruce St, Boulder, CO 80302 or email careers@jvajva.com.
